CONCEPT TARGET

CONCEPT

Artpassions is unquestionably the most beautiful art magazine published in Switzerland, with an international perspective. The magazine investigates the artistic current events under all its forms: plastic arts, cinema, photography, but also music, architecture, design...

Quarterly publication, *Artpassions* gives the floor, in every number, to a personality recognized in its domain, which maintains us of its tastes and his artistic course. Private collectors reveal their treasures, strangers of the general public. Unpublished themes, treated by experts or commented by writers, are emphasized by a luxurious iconography.

Artpassions: About 80 pages on white half-matt coated paper, sewn, square back, the brilliant and rhythmical layout of which hangs on the reader.

TARGET

Artpassions is the magazine of the art lovers, the managers and the creators, active city-dwellers were implied in the economic life.

Been used to the excellence, their high purchasing power, their attachment in the patrimonial brands and their curiosity for the novelty, make a readership of 1st choice for our announce *Artpassions* is also the reference meeting of the actors of the world of the art: professionals, gallery owners, antique dealers or managers of museums, as much as architects, designers and collectors.
